MEET US AT ALLIANCE

**TEN YEARS AGO**  
From the Files of The Alliance  
Herald of June 15, 1905

A young man giving the name of W. H. Burke, of Watonga, Okla., was arrested for passing worthless checks. He tried to cash one at Simon Spry's place while Marshal Shay was there, and the marshal caught sight of the signature. Word had been received from Watonga regarding the young man, and later in the evening he was arrested and placed in jail by Deputy Sheriff Keiser.

A hobo, who was evidently in need of a pair of pants, strolled into "The Right" clothing store yesterday, and while the clerk, Bert Laling, was busy, started off with a \$4.50 pair of pants. Marshal Shay arrested the hobo at the stock yards, and the Weary Willie was given a sentence of \$25 or thirty days in jail, choosing the latter method of payment.

Guy Lockwood returned today from Omaha where he had been for a week or so. He did not undergo an operation for appendicitis as was expected, as his condition had improved considerably.

After five months' retirement, T. J. O'Keefe is again in charge of the Herald, having bought the plant and lot from W. S. Raker, to whom he sold it five months ago.

A fine new \$250 bell will soon be erected in the Holy Rosary church.

D. W. Butler has opened his law office in the upstairs of the postoffice building, and will devote all his time to law. Mr. Butler practiced seven years in South Dakota and two years in Denver.

A letter from C. W. Ray at Columbus, Ohio, says he is visiting his wife's folks there, and that he may be home here June 22. He buried his wife at Riley, Indiana.

Judge Westover and Chas. Nines, a merchant of White Clay, were among those who filed for homesteads in the strip that was opened for entry Monday. Their claims of 640 acres each are adjoining.

**Burlington Bubbles**

H. L. Harris has been re-instated and has resumed his run as freight conductor between Sidney and Cheyenne. V. A. Wirt, division superintendent, has been promoted to division No. 1 and now has his headquarters in Omaha. J. W. Adams, superintendent of division No. 3, succeeding to V. A. Wirt, was in the city all day Tuesday on business

connected with his office. \* \* \* The south bound passenger train on the Burlington Thursday ran into a hail storm at Menlo, this side of Sterling, and every window but two on the north side of the cars was splintered. These were heavy plate glass so it took great force to break them. The farm country around looks as if it had been mowed to the ground of all vegetation. At Sterling the passengers had to alight from the train in order that the floors could be swept of hail stones and broken glass.—Sidney Telegraph.

Arthur L. Anderson, traveling passenger agent for the Chicago, Milwaukee & St. Paul Railway, in company with a real estate dealer, stayed over night in Oshkosh Wednesday. When questioned by our reporter in regard to business here and about the probabilities of the Burlington coming up the valley, Mr. Anderson was as closed mouth as a clam and had nothing to say. They were traveling overland in a Ford car and yesterday morning resumed their journey westward to Alliance.—Oshkosh News.

**Constipation, if Neglected, Causes Serious Illness**

Constipation, if neglected, leads to almost innumerable complications affecting the general health. Many cases of typhoid fever, appendicitis and other severe diseases are traceable to prolonged clogging of the bowels. Regarding the effects of constipation, C. E. Ayers, 6 Sabin St., Montpelier, Vt., says: "I was afflicted with constipation and biliousness for years, and at times became so bad I would become unconscious. I have been found in that condition many times. Physicians did not seem to be able to do me any good. I would become weak and for days at a time could do no work. Not long ago I got a box of Dr. Miles' Laxative Tablets, and after using them found I had never tried anything that acted in such a mild and effective manner. I believe I have at last found the remedy that suits my case."

Thousands of people are sufferers from habitual constipation, and while possibly realizing something of the danger of this condition, yet neglect too long to employ proper curative measures, until serious illness often results. The advice of all physicians is, "keep your bowels clean" and it's good advice. Dr. Miles' Laxative Tablets are sold by all druggists, at 25 cents a box, containing 25 doses. If not found satisfactory, your money is returned. MILES MEDICAL CO., Elkhart, Ind.
